Amount Requested	\$ _____

PROJECT DESCRIPTION - Please summarize your project:

1. **What are you trying to accomplish and why? (200 words or less. Attach an additional sheet if needed.)**

2. **Plan of Action: Describe how your group will accomplish this goal including:**

- a. **project calendar**
- b. **resources needed**
- c. **involvement of community**
- d. **ongoing maintenance and sustainability of the project**

Attach photographs of the area to be improved along with any drawings, maps with dimensions and measurements and/or sketches that you would like to have considered as a part of your grant application.

If a project is awarded funding, grant recipients are responsible for obtaining any approvals or permissions necessary to complete the project. If required approval(s) or permission(s) are not received, then funding must be returned to the Community Grant Program.
